- 4) Shelby County Correction Center is directly liable as the institution that the aforementioned individuals are employed by or responsible for the proper day to day function of said institution.
 - 5) James Harris is directly responsible party in this action as he is solely responsible for obtaining information from Central Records Pertaining to my time and release date.

On April 24, 2008 I was transferred to Desoto County, Mississippi for a pending Charge in that jurisdiction. I was transferred under an Interstate Compact Agreement. Upon my return to Shelby County Division of Corrections on April 12, 2010 I was given Credits for all the time that I was out to Court. Approximately one (1) month after my return to Shelby County the Credit for the time I was out to Court was taken back. Causing me to serve the Shelby County time twice. Therefore I am asking for relief in the form of reinstatement of those sentence credits. And one thousand dollars (\$1,000.00) per day for all days that I have been slighted as well as the days that I would have already been a free individual.
